

THE CHIMES

The Right Words at the Right Time

Pastor's Word

*A word fitly spoken is like apples of gold
in pictures of silver. -- Proverbs 25.11*

One of the running arguments I have with modern life is the proliferation of pictures and symbols and the decrease of words for ordinary communication. This is a movement, they tell me, to accommodate those who cannot read English or who cannot read any language at all. My problem is that it causes plenty of difficulties for those of us who can read.

Hospital elevators, for instance, hardly ever have the word "Lobby" next to the button you want to press to get there. The lobby might be on level one or two. Then again, it might be on L or G. How helpful it would be, I often ponder, if the one button which undoubtedly gets pressed more often than any other in the whole building would be labeled with the simple word, "Lobby." Instead, you get a "star" or an arrow or a letter.

Restrooms that put robot-like symbols on the door are not much better. How often have I had to study the two generic symbols for male and female for several seconds to figure out which robot is wearing a dress or not before I push open a door? Too many times, I tell you. And it often happens when I have the least time to spare, if you know what I mean. Is it that hard to spell out "Men" or "Women?"

There's the popular roadway sign that features a humanoid silhouette (a solid circle for a head, a featureless torso) holding something rectangular with a directional arrow below. This is the sign for the Public Library. This one completely baffles me. Is

the library really trying to reach out to people who can't read?

The dashboards on our cars are just as awkward. My headlamp switch has half a dozen little pictures of alternate available lighting. But which one is which? I feel like I'm looking at hieroglyphics on an Egyptian stele. What is especially puzzling in my car is that only some things are marked with symbols. Others are marked with ordinary, helpful words:

Volume, Heat, Emergency, and so forth. Why some and not others is a mystery buried deep inside the minds of Detroit.

I once learned in grade school that it was a mark of civilization when humans stopped using pictures and started using letters and words. We're better off, my teachers said, with a

limited but memorable set of symbols (an alphabet) that can be arranged in many different ways (words) to communicate with each other. As you can see, this is an argument I have not been able to dismiss nor found any modern evidence to refute. I admit I'm a man of words. But I know I'm not alone.

Some words, spoken or written at just the right time and clearly expressed are all anyone needs to make one's day a good one. Words like "I love you," "Can I help you?" "I forgive you," or "How about lunch?" go a long way to making life easier for many. Words don't cost much, but they can mean so much. And as George Eliot once said, "What do we live for if it is not to make life less difficult for each other?"

Like golden apples in a basket of silver are words spoken at just the right time. I couldn't have expressed it better myself.

ADMINISTRATIVE COUNCIL

It was gratifying to hear, at our May meeting, of the amount of work and activity that is ongoing at Christ Church in pursuit of the goals that came out of the Spiritual/Strategic Planning effort led by Rev. Allan Zagray in 2010. From efforts at reactivation of missing members, organization of a corps of volunteers to provide visitation of our homebound members, work on improving our website, development of plans for improving our facilities to plans to participate in a joint worship service this summer for all United Methodists, much is going on to achieve those goals. More details about some of those activities appear elsewhere in this issue of *The Chimes*, but a big vote of thanks is due to those who are hard at work to build upon the success of Christ Church as an instrument of God's love in this community.

The Council's next regular meeting is scheduled for **Tuesday, July 5, 2011 at 7:00**. Remember, the meetings are open to all members of the church. Come by, share your concerns and have any questions answered to the best of our ability.

UPDATE ON CONFIRMATION CLASS PHOTO

Thank you to Robin Rykes Musgrave, for sharing her Confirmation Class picture from 1964. Robin and her sister Jill Ryks Greiner got together and identified everyone in the picture.

Thanks also to Katie Winner Weitzel for sharing her 1966 picture. She and several other members are studying the faces to attached names for posterity.

Your historical committee is still in search of 1961, 1962, 1963, 1965, 1968 and 1969. If you can share these Confirmation class pictures, please contact the Church office, or any member of the Historical Committee.

CONGREGATIONAL CARE COMMITTEE

An ongoing ministry of the Committee is the staffing of the Welcome Center in the lounge each Sunday. Our church is committed to Radical Hospitality and staffing the Center is one way we contribute to that concept. Fourteen people take turns serving at the Center. They are: Helen Brown, Cynthia Carlin and Charlie Manypenny; Bob and Lou Clayton; Dick Diser; Rev. David and Mildred Hostetler; Larry and Connie Pyers; Peg Rodefer; Bill Sol; Betty Thorpe; and Peg Williams. We thank them for their faithful service of extending a warm and friendly greeting to members and guests alike who join us each Sunday morning. If you would be interested in helping with this vital ministry by occasionally taking a turn at greeting at the Welcome Center, any member of our Committee would be pleased to hear from you.

For many years, Christ Church has had a ministry of serving, upon request, luncheons following funeral or memorial services for member families. We extend our thanks to the many volunteers who have provided food or helped with these luncheons. There is a need for additional help to keep this ministry intact. If you are willing to help in any way, please let one of our Committee members, named below, know. Thank you.

CHRISTIAN OUTREACH FOOD PANTRY

We recognize a need in our community by collecting funds, food, personal and household items to help the Salvation Army in its outreach. The Christian Outreach Committee reminds you that there is always a shopping cart in the Lounge for donations, and that the third Sunday of each month is designated as Food Pantry Sunday. **June 19th** will be the next date for donations of non-perishable food items, paper and cleaning products, and cash donations to be counted for delivery to the Salvation Army. In May, 77 items and \$50.00 were collected. Your response for this much needed community program is appreciated. Thank You!

HISTORY IN THE MAKING

The eight United Methodist Churches in the Alliance area - Aldersgate, Beechwood, Bolton, Christ, Lexington, Salem, Union Avenue and Vine Street - will, on the morning of **Sunday, July 10, 2011**, come together for a worship service at Silver Park. What began, in a meeting of the Administrative Council chairpersons several months ago as a suggestion for closer cooperation among our several UM churches has blossomed, with the full and enthusiastic support and guidance of the pastors, into what promises to be a memorable and moving service with something for every age group. From participation by the Conference Clown Ministry, hymn singing and special music, to Holy Communion, an inspirational service has been planned, all leading, of course, to - what else for United Methodists? - food and lots of it. With each family being asked to bring a dish for sharing, and Christ Church's grill and others being pressed into service for hamburgers, hot dogs and who knows what else, the body as well as the spirit of every participant will be nourished in our beautiful Silver Park. Both the Miller Pavilion and the soundstage have been reserved for this remarkable event.

Mark the date, **Sunday, July 10, 2011** on your calendar and be prepared to enjoy worship and fellowship with our counterparts from the seven other United Methodist churches in our community. More details will be provided in the next issue of *The Chimes* and, of course, by way of announcements and notices in our Sunday bulletins.

The Church is grateful for Lois' support, foresight and faithfulness and for her bequest.

This bequest will be included with the endowment funds administered by the Church trustees and will continue to support the programs, ministries and work for the Kingdom of God through Christ UMC.

Estate gifts and endowment gifts are an integral part of our on-going ministry here at Broadway and Freedom as we reach out to the community and the world.

God bless the gift and God bless and keep the Giver.

**CHRISTIAN ED CORNER
JUNE 2011**

Since January of this year, the core team for the 2011 Vacation Bible School, Panda-Mania, has met on several occasions to orchestrate this year's offering. As in the past few years, Christ United Methodist Church has joined several area churches to share human, financial and other resources; we have also developed new relationships and renewed previous ones. We have enjoyed working together and experiencing the concept of stewardship first hand as we share our time, talent and treasure.

There is one distinctly different feature in this year's offering and that is the concept of inter-generational class groupings. Rather than grade or age class groups, we will form groups of various ages led by an adult crew leader (teacher) and an assistant crew leader. The exceptions are that three year old participants have their own class as will the four and five year olds. There are many churches which have adopted this inter-generational concept and do not find it unusual to have senior and middle-aged adults in a Sunday school class with teenagers and elementary age children. The major Christian publishing companies have many printed curriculum featuring this intergenerational style.

Another addition this year is the Supper meal provided by the Alliance City Schools summer Meals Program. The meals will be prepared and served from set-up to clean-up and our children and youth may eat at no cost. Adults may also join in the supper meal but at a very minimal cost.

There is something else that we would like to experience this year and that is to see you at Vacation Bible School. Perhaps one evening or two, if possible, visit the classrooms to see for yourself how this intergenerational concept can work. The children will appreciate your personal interest in the mission work that they will do. Your ministry of presence will mean a lot to our children and youth as well as to the staff already on site. Of course, everyone is invited to the closing activity on Friday evening which will include an ice cream social. The dates to add to your calendar are 5:30 PM to 8:00 PM, Monday, July 18 through Friday, July 22. The location is the Vine Street United Methodist Church, 1544 West Vine Street in Alliance. We pray that we will see you there.

Peace,
Dr. J

Christian Outreach

"A generous man will himself be blessed, for he shares his food with the poor." Proverbs 22:9

It has been so heartwarming to experience the generosity of our congregation in supporting our ministries. Thank you to the youth for sponsoring the patriotic picnic on Sunday, May 15, and to the members of the Christian Outreach Commission who helped, too. We had a great crowd. We not only raised money for our covenant relationship with Red Bird Mission, but also warmly greeted our eight new members. Welcome to all of you! Thank you to everyone who was able to come and eat with us.

As I write this, we are preparing for our dinner at the Alliance Neighborhood Dinner on Tuesday, May 31. I will thank you in advance for your help! We have two more opportunities to serve meals to the Alliance area in August and November. Just sign up on the Opportunity Board if you are able to help in any way.

Thank you for your continued support of the Salvation Army Food Pantry. We have received a special request for cereal. So, if you are able to bring boxes of cereal this summer, it would be great.

We are continuing to support our international missionary through our aluminum can collection and our fifth Sunday Noisy Can Offerings. Thank you again, and thanks to the young people for helping take up the collection.

The July 9 carnival in the parking lot is still tentative, as is the July 16 rain date. This summer is so busy.

Hopefully, the Apostles Build for Habitat for Humanity will go along smoothly. Thank you to Pastor Karl, Mark Locke, and everyone who is able to assist with this ambitious project.

We are so blessed to be part of a healthy, vital church family. God bless each and every one of you.

Susie Buckel, Chairman

THE EXCITEMENT IS BUILDING!!

After much anticipation, the time has come! The ground breaking for the Apostle Build will be June 1, 2011 at 5:30 P.M. For those of you not aware the Apostle Build is a project of the Alliance Area Habitat for Humanity where 12 churches combine forces to build a home for a local Alliance family. The ground breaking will take place at the build site on Homestead Ave. in Alliance. Everyone is invited to join the family for this ground breaking celebration. Refreshments will be served after the ceremony. Since parking is limited at the job site, a shuttle will be run from the south end of the Alliance Senior Center parking lot.

The first volunteer day for the build will be June 25th. Christ United Methodist Church will be responsible for the lunch on that day. We will need to provide lunch for about 30 volunteers at the job site.

We have been assigned Saturday August 13th as the day we will be helping with the actual build. If all goes as planned we will be hanging drywall that day, but weather can delay the build and we have had a small amount of rain this spring. If our day is delayed we will keep everyone informed.

If you are interested in helping with the lunch or build please let Mark Locke or the Church office informed.

Part of our responsibility is to provide 1/12th of the funding for the home. Each church is responsible for raising \$5000 for the project. Thanks to the generosity of many of our members we have already raised over \$4000 to our goal. If you can help get us to our goal please send your pledge or money to the Church.

This is a very exciting mission project for Christ Church, please take the opportunity to get involved!
